Hi Julie,

As you can tell I was out of the office on a vacation day today. I will be in tomorrow but Dan and I are heading down to the Boston Police Warehouse to take care of that "ton o pot". I'll stop over when we come back.

As far as that FSAB meeting went last week, I must say that although I was not looking forward to it, I actually ended up finding it very interesting. John Grossman was very pleasant and I knew several people there already so it all went smoothly. I'll fill you in on some minor interesting details when I stop by.

I am aware of the new transfer coming in and have a few questions for you regarding that matter.

Thanks,
Betsy

Hi Betsy,
Stop by when you have a chance. Nothing urgent: I just want to get caught up on last week.
Thanks, Julie
